## NEWS RELEASE

U.S. ARMY CORPS OF ENGINEERS at  
RAYSTOWN LAKE  
814-658-3405  
RELEASE#07-06

FOR IMMEDIATE RELEASE

April 16, 2007

### **Raystown Lake announces hunting road openings for early youth and regular spring gobbler season**

Raystown Lake, Pa. — The U.S. Army Corps of Engineers at Raystown Lake announces the intended opening of the following access road:

- **The High Germany Road** (Gate 28 — Nancy's Camp Service Road), will be open April 21— to accommodate the special season for eligible junior hunters — and from April 28 to May 26, for the regular spring gobbler season.

The Corps may close or choose not to open this gated road depending on weather, road conditions or special activities such as logging operations. There is no off-season maintenance on this roadway, and vehicle operators will be traveling at their own risk. All Pennsylvania Game Commission and U.S. Army Corps of Engineers regulations apply.

For more information on Raystown Lake natural resources and hunting programs, visit the natural resources stewardship link at <http://raystown.nab.usace.army.mil/>.
